

WELCOME SEMINAR

How to do a doctorate in BIGSAS

Organisation

Dr Christine Scherer, Coordinator Early Career & Equal Opportunity

The Welcome Seminar of BIGSAS is compulsory for all new Junior Fellows in BIGSAS. It provides general but crucial information around the doctoral research training in the graduate school and offers valuable insights into structures, formalities and supportive measures to enhance individual skills and unfold academic passion. How to use the library and citation freeware, how to apply for field research funding or how to organise a workshop from application to accounting will be part of the seminar. Furthermore will be explained how multidisciplinary working groups can operate and research data can be managed.

If not announced otherwise on short notice, the seminar is held **in presence** at the BIGSAS venue at Geschwister-Scholl-Platz 3, 95445 Bayreuth, S 18, 9-12 am, at the following dates:

05 November	Welcome to BIGSAS by the Dean, Team and Junior Fellow Representatives
12 November	The cornerstones of your doctorate in BIGSAS
19 November	10 am: Library Essentials for BIGSAS Junior Fellows (with Katharina Lehner and colleagues, main library)
26 November	Funding for Junior Fellows (with Steffi Jost)
03 December	Citavi and /or Zotero? (with Clemens Engelhardt)
10 December	Introduction to Research Data Management (with Petra Steiner)
17 December	Good Academic Practice I
14 January 2022	Good Academic Practice II
21 January	Communication and Presentation
28 January	Winter-Excursion: Mindful Leadership Training with all senses

Please register via email to Christine.Scherer@uni-bayreuth.de until 30 October 2021.
